

## *2004 ~ 2005 Grant Awards Announced*

The Idaho Department of Lands Community Forestry Program has announced the results of this year's grant application review. IDL administers community forestry funds for grants in three categories: Program Development, Tree Planting and Care, and Community Transportation Enhancement. Projects will be completed by September 30, 2005. By category, the results are:

### Program Development Grants

IDL received 17 applications seeking grant funds totaling \$57,541. Nine Idaho communities were chosen to receive the \$29,710 in available grant funds. The estimated cost for these projects is \$76,364. These grant funds are expected to leverage \$46,654.

### Tree Planting & Care Grants

Fourteen applications seeking grant funds totaling \$20,426 were received by IDL. Ten communities were selected to receive the available \$14,432 in grant funds. These projects are estimated to cost a total of \$41,953 thereby causing the grant funds to leverage an estimated \$27,521.

### Community Transportation Enhancement Grants

Applications from 19 communities requesting a total of \$244,637 in grant funds were received. Of those, 9 were awarded grants and funds totaling \$101,926 will be distributed. The total estimated cost for those projects is \$386,877. Accordingly, these grant funds will create an estimated leverage of \$284,951.
